EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER
THE FAMILY AND MEDICAL LEAVE ACT

EMPLOYEE ENTITLEMENT
An eligible employee may take up to twelve weeks (26 weeks to care for a covered servicemember with a serious injury or illness under (e) below) of Family and Medical Leave during each consecutive 12-month period for which eligibility criteria have been met. The initial 12-month period is measured forward from the date the employee first takes FMLA leave. The next 12-month period begins the first time FMLA leave is taken after completion of any previous 12-month period. Family and Medical Leave shall be granted for (a) the birth or placement of a child for adoption or foster care; (b) for the care of an immediate family member (child, spouse, or parent) with a serious health condition; (c) when an employee is unable to perform the functions of his or her position due to a serious health condition; (d) because of a qualifying exigency arising out of the fact that a family member (child, spouse, or parent) is a member of the Reserves or the regular Armed Forces and is deployed to a foreign country on covered active duty.; or (e) for the care of an immediate family member (child, spouse, parent, or next of kin) who is a covered servicemember with a serious injury or illness. For leave taken for the birth or placement of a child for adoption or foster care, entitlement expires at the end of the twelve-month period following the date of the birth or adoption placement.

EMPLOYEE ELIGIBILITY
To be eligible for FMLA benefits, a University of Illinois employee must:
(1) have worked for the University of Illinois for at least twelve months;
and
(2) have worked at least 1250 hours of service during the previous twelve months.

SERIOUS HEALTH CONDITION
Serious health condition means an illness, injury, impairment, or physical or mental condition that involves:
• any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical facility;
• any period of incapacity requiring absence of more than three full consecutive calendar days from work, school, or other regular daily activities that also involves continuing treatment (or under the supervision of) a health care provider;
• any continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days;
• prenatal care; or
• an injury or illness incurred by a covered servicemember: (a) in the line of duty on covered active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces); and (b) that may render the servicemember medically unfit to perform the duties of the servicemember’s office, grade, rank, or rating. In the case of a veteran, this injury or illness could have “manifested itself before or after the member became a veteran”.

APPLICATION PROCEDURES
Employees should complete the TO BE COMPLETED BY EMPLOYEE portion of the FMLA Leave Form and submit it to their supervisor. The supervisor or department designee completes the TO BE COMPLETED BY DEPARTMENT portion and returns to the employee. A copy should be retained in the department separate from the employee’s personnel file. DO NOT SEND A COPY TO THE HUMAN RESOURCES OFFICE except under the following circumstances:
• UIUC Academic Professionals (AP) and Faculty must receive approval for unpaid FMLA leaves. Forms should be submitted to the Academic Human Resources office.
• University Administration (UA) employees should submit the completed FMLA application and Medical Certification (if applicable) to Employee Relations and Human Resources (ER/HR). ER/HR completes the TO BE COMPLETED BY DEPARTMENT OR ER/HR portion.
• UIC Medical Center (UICMC) employees should submit the completed FMLA application and Medical Certification (if applicable) to HR/UICMC Leave Coordinator. HR/UICMC Leave Coordinator completes the To Be Completed By Department portion.

MEDICAL CERTIFICATION
Certification issued by the employee's or the family member's health care provider is required to support a request for Family and Medical Leave due to a serious health condition (see Medical Certification forms). Requests for paid leaves shall be in accordance with the University's sick leave/vacation policies. Departments may require employees to provide the opinion of a second health care provider designated or approved by the University, but not employed by the University. The opinion of a third provider may be required when there are differing opinions. The opinion of the third provider shall be considered final and shall be binding on the University and employee. Any expenses associated with obtaining second and third opinions shall be the responsibility of the employing department.

CERTIFICATION OF QUALIFYING EXIGENCY FOR MILITARY FAMILY LEAVE
Certification issued by the employee is required for an employee seeking FMLA leave due to a qualifying exigency. A complete and sufficient certification to support a request for FMLA leave due to a qualifying exigency includes written documentation confirming a covered military member’s covered active duty or call to covered active duty status.

RETURN FROM FAMILY AND MEDICAL LEAVE
The department may require an employee to obtain a statement from a health care provider that he/she is able to resume work. Employees are expected to contact employing departments at least thirty calendar days in advance of the anticipated date of return. A staff employee who has been absent for Family and Medical Leave shall be restored to the position of employment held by the employee when the leave commenced; or an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

USE OF PAID AND UNPAID LEAVE
Birth or Placement of a Child for Adoption or Foster Care: Employees have the option to take FMLA leave with or without pay. An employee may request to apply accrued vacation and/or sick leave during the FMLA period in accordance with Policy and Rules for Civil Service Staff or with campus Academic policies. Any portion of the FMLA period for which accrued leave is not applied shall be without pay.

Serious Health Condition, Family Member or Employee: Employees have the option to take the leave with or without pay. For care of a spouse, child, or parent with a serious health condition or because of an employee’s own serious health condition, the leave is provided under the University Sick Leave policy (Policy 10, Sick Leave) and the campus Academic sick leave policies. If an employee’s sick leave is exhausted, the employee may elect to use accrued vacation leave to continue in pay status during the FMLA period. Sick and vacation leave used for this purpose will be counted towards the FMLA entitlement.

In addition, employees with a serious health condition, who exhaust their accrued sick leave balances, may be eligible to receive disability benefits through SURS. Employees may request an APPLICATION FOR DISABILITY BENEFITS from the campus HR office. Any portion of the FMLA period for which accrued vacation, sick leave, or disability benefits are not applied shall be without pay.

INSURANCE COVERAGE AND RETIREMENT CONTRIBUTIONS DURING UNPAID LEAVE
Coverage of group health and dental insurance shall be continued by the University at the same level that coverage would have been provided if the employee had remained in continuous employment. Employees are responsible for paying the employee-paid portion of any insurance premiums presently paid by payroll deduction. If the employee does not make required payments during the leave period, the CMS-Group Insurance Division (GID) will terminate the member’s coverage the first day of the current month. These members are ineligible to continue coverage under COBRA and will not receive a COBRA notification letter (eligible or ineligible). CMS will take action to collect all outstanding premium(s), which may include involuntary withholding. Employees are encouraged to contact the Benefits Service Center for information on changes in status and to arrange for billing prior to their last day of work.
Employees pay the entire premium plus a 2% administrative fee for COBRA coverage. Central Management Services (CMS) mails monthly billing statements to the employee’s home address on or about the tenth of each month. Bills for the current month are due by the twenty-fifth of that month and are paid to CMS. Individuals electing COBRA coverage have 45 days from the date coverage is elected to pay currently due premiums. Failure to submit payment by the due date terminates COBRA rights.

The University may recover any premiums paid for maintaining coverage for the employee if the employee fails to return from Family and Medical Leave for a reason other than continuation, recurrence, onset of a serious health condition (employee or family), or other circumstances beyond the control of the employee. Certification of such conditions may be required by the University.

To determine the effect of Family and Medical Leave on the accumulation of service time for retirement and to assure continuation of contributions, the employee should contact SURS at 1-800-ASK-SURS.

QUESTIONS
Employees should discuss questions or disagreements about leave under the Family and Medical Leave Act with their immediate supervisors. If concerns are not resolved at the supervisory level, the unit head should review the issues. If the unit head is unable to resolve the issue, the dean or director should be consulted. Should questions remain, the campus human resources office will provide assistance to both the employee and the unit.

Interpretation of specific requirements of the Family and Medical Leave Act policy is subject to provisions contained in the full text of the Act. Questions regarding the provisions of the FMLA and the Department of Labor Regulations for its implementation should be directed to the campus human resources office.

NOTE: University Administration (UA) employees should contact Employee Relations and Human Resources if there are questions or disagreements about leave under FMLA.

Effective August 5, 1993, the University of Illinois implemented the Family and Medical Leave Policy in compliance with the federal Family and Medical Leave Act (FMLA) of 1993 and amended the policy in 2009 due to regulation revisions effective January 16, 2009. Such leaves shall be granted to eligible employees (a) for the birth or adoption of a child; (b) for the care of a child, spouse, or parent who has a serious health condition; (c) when an employee is unable to perform the function of his or her position due to a serious health condition; (d) because of a qualifying exigency arising out of the fact that a family member (child, spouse, or parent) is on covered active duty or call to covered active duty status as a member of the Reserves or the regular Armed Forces; or (e) for the care of an immediate family member (child, spouse, parent, or next of kin) who is a covered servicemember with a serious injury or illness. FMLA leaves are granted by the department/unit. Eligible employees are entitled to up to twelve workweeks (26 weeks to care for a covered servicemember with a serious injury or illness) of unpaid family and medical leave during each consecutive twelve-month period for which eligibility criteria have been met. Employees may substitute accrued sick leave and vacation leave for unpaid FMLA. The initial 12-month period is measured forward from the date the employee first takes FMLA leave. The next 12-month period begins the first time FMLA leave is taken after completion of any previous 12-month period. If foreseeable, requests for Family and Medical Leave should be made at least thirty days in advance of the leave or as soon as practicable. If the need for leave is not foreseeable, requests should be made within two business days of learning of the need for leave.
