Fund Type Descriptions

Fund Type	Fund Type Title	Description/Source of Funds	Hard/Soft
State Funds			
1A	State Appropriations - General Revenue Fund and Income Fund	General Revenue and Income Fund appropriations from the State of Illinois. General Revenue funds are held by and disbursed by the State and must be spent entirely during the state appropriation year. Income Fund is retained at the University.	Hard
1B	PY State Appropriations - General Revenue Fund and Income Fund	Prior year General Revenue and Income Fund appropriations from the State of Illinois.	Hard
1F	State Appropriations - State College and University Trust Fund	State appropriation for the University's portion of State of Illinois license plate revenue which is used to fund scholarships.	Hard
1G	State Appropriations - Fire Prevention Fund	Fire Prevention Fund appropriation from the State of Illinois which is allocated to the Fire Service Institute.	Hard
1P	PY State Appropriations - State College and University Trust Fund	Prior year appropriation from State - see type 1F for source/purpose of funds.	Hard
1Q	PY State Appropriations - Fire Prevention Fund	Prior year appropriation from State - see type 1G for source/purpose of funds.	Hard
1X	State Appropriations - Capital Appropriations	Appropriations from the State of Illinois for specific capital projects. Since these projects can take more than a year to complete, the balances in these appropriations are usually reappropriated from one year to the next until the project is scheduled to be completed.	Hard
1Y	PY State Appropriations - Capital Appropriations	Prior year appropriations from the State for capital projects.	Hard
1Z	University Income Fund Receipts	Tuition and fees, finance charges from students, and other miscellaneous income. These provide the source of funding for the State Income Fund appropriation.	Hard
Unrestricted Funds			
2A	Educational and Admin Allowances	Funds from various assessments of campus departments by campus or University administration.	Hard
2C	Institutional Costs Recovered	Funds generated through facilities and administrative (F&A) costs assessed on grant and contract funds. Budgeted to and spent at the departmental level.	Hard
2E	Patents Copyrights and Royalties	Funds generated from trademarks, patents, and copyrights owned by the University.	Hard
2G	Private Gifts - Unrestricted	Gifts received from individuals or companies that are not restricted by the donor for a particular unit or purpose.	Soft
2J	Consolidated Group Investments	Investments from the various fund types are consolidated and accounted for in these funds. Investment income is allocated to the various specific funds on a quarterly basis.	Hard
2L	Unrestricted Receivables/Payables	Clearing funds to record accounts receivables and payables at the campus level for control purposes.	Hard
2N	Student Deposits and Other	Funds containing student deposits held for a future term.	Hard
2P	Self-Insurance Programs	Funds to account for the University's self-insurance activities. Funds are generated from assessment of campus departments by University Administration and are used to cover claims.	Hard

UIC HR Policy 203-02: Temporary Academic Professional Appointments Appendix
Fund Type Descriptions

2R	Termination/Sick Leave Benefits	Assessments on grant and contract funds for termination benefits, vacation and sick leave payouts, for employee appointed to grant and contract funds.	Hard
3A	Suspense and System Clearing	Clearing funds used for system-generated suspense and clearing type transactions.	Hard
3E	Service and Storeroom Activities	Funds used to account for self-supporting activities where goods or services are provided to other internal University units which are charged for the goods or services provided. Examples included Facilities and Services, Central Stores, and Telecommunications. Expenses charged to these funds must be related to the cost of providing the goods or services.	Hard
3J	Auxiliary Enterprises Not Under Indenture	Funds used to account for self-supporting activities where goods or services are provided primarily to individual students, faculty, or staff and bond financing is not involved in the activities. Examples include student counseling and student activities. Expenses charged to these funds must be related to the cost of providing the goods or services.	Hard
3M	Auxiliary Enterprises Under Indenture	Funds used to account for self-supporting activities where goods or services are provided primarily to individual students, faculty, or staff and bond financing is involved in the activities. Examples include housing operations, bookstore, and student unions. Expenses charged to these funds must be related to the cost of providing the goods or services.	Hard
3Q	Departmental Activities	Funds used to account for self-supporting activities where goods or services are provided primarily to external customers. Revenues are generated from the following general categories of activities (called entities) - 1) Instructional Courses, 2) Professional Development Activities, 3) Unique Instructional Programs, 4) Agricultural Operations, 5) Commercial Operations not under indenture, 6) Public Service, Economic Development and Academic Support Activities, 7) Intercollegiate Athletics, 8) Hospital and Clinics, and 9) Commercial Operations, such as Willard Airport. Expenses charged to these funds must be related to the cost of providing the goods or services.	Hard
Restricted Funds			
4A	Sponsored Programs - US Government Grants and Contracts	Grants and contracts with the federal government.	Soft
4C	Sponsored Programs - Other Governmental Agency Grants and Contracts	Grants and contracts with governmental agencies that are not federal or state.	Soft
4E	Sponsored Programs - Private Grants and Contracts	Grants and contracts with individuals or businesses.	Soft
4G	Sponsored Programs - State of Illinois Grants and Contracts	Grants and contracts with the State of Illinois.	Soft

UIC HR Policy 203-02: Temporary Academic Professional Appointments Appendix
Fund Type Descriptions

4J	Trust - Endowment Income	Endowment income funds include: (1) unrestricted income of endowment and similar funds; (2) restricted income of endowment and similar funds to the extent expended for current operating purposes, and (3) income from funds held in trust by others under irrevocable trusts.	Soft
4K	Trust - Endowment Farm Operations	Funds used to track the farm operating activities for all farms endowed to the University.	Soft
4M	Trust - Private Gifts	Gifts received from individuals or companies that are restricted for a particular unit and/or purpose. These funds must be spent in compliance with those restrictions.	Soft
4N	Trust - Other Restricted	Restricted funds with an externally imposed restriction on their use. The predominance of these funds are on the Urbana campus as Cooperative Extensions funds.	Soft
4S	Trust - Medical Services Plan	Funds to account for the clinical practices of faculty in the College of Medicine.	Soft
4T	Trust - Occupational Health Services Plan	Funds to account for the clinical practices of faculty in the School of Public Health.	Soft
4U	Trust - Dental Services Plan	Funds to account for the clinical practices of faculty in the College of Dentistry.	Soft
4W	Trust - Nursing Services Plan	Funds to account for the clinical practices of faculty in the College of Nursing.	Soft
4Y	Land Grant - Federal Appropriations	Federal appropriations for agricultural research and extension activities. As the land grant campus, Urbana is the only campus with federal agriculture appropriations.	Soft
4Z	Restricted Receivables/Payables	Clearing funds to record accounts receivables and payables for sponsored programs at the campus level for control purposes.	Soft
Loan Funds			
5A	Loan Funds - University	Funds for private loans administered by the University. These funds account for loan principal and related activity including interest income, service fees, and collection fees. Most loan funds are from monies donated by individuals or organizations for students in a particular department or major.	Soft
5D	Loan Funds - Federal	Funds for federal loans administered by the University. These funds account for loan principal and related activity including interest income, service fees, and collection fees. The funds are from the federal government for students who qualify under the various Federally Sponsored Student Loan programs.	Soft
Endowment Funds			
6A	Endowment - Pool Accounts	Endowment assets that are pooled for investment purposes.	Soft
6D	Endowments - US Land Grant 1862	Fund that accounts for the \$649,012.91 land grant deposit received by the University from the State when the University was founded in 1867. This fund type has no other activity.	Soft
6G	Endowments - True/In Perpetuity	Funds whose principal is nonexpendable (true endowment) by donor-specified restrictions and that are intended to be invested to provide earnings for institutional use. Generally, income from those investments are restricted by donors.	Soft

UIC HR Policy 203-02: Temporary Academic Professional Appointments Appendix
Fund Type Descriptions

6J	Endowments - Quasi	Funds established by the governing board to function like an endowment fund but which may be totally expended at any time at the discretion of the governing board. These funds represent nonmandatory transfers from the current fund rather than a direct addition to the endowment fund, as occurs for the true endowment fund type.	Soft
6M	Endowments - Term/Living Trust	Funds for which the donor has stipulated that the principal may be expended after a stated period or on the occurrence of a certain event.	Soft
6P	Endowments - Beneficial Interest In Trust	Investment income from funds that meet the definition of a beneficial interest in trust endowment. A Beneficial Interest in Trust refers to a legal arrangement whereby the University is entitled to the use of or the income from assets owned by other parties. Upon the death or at the discretion of the owner(s), the assets may be donated to the University and become a true or term endowment.	Soft
Plant Funds			
8A	Unexpended Plant - Unrestricted	Unexpended resources in the plant fund derived from various sources to finance the acquisition of long-lived plant assets and their associated liabilities. Source of funds are usually transfers from current unrestricted funds, such as institutional funds.	Hard
8C	Unexpended Plant - Restricted	Unexpended resources in the plant fund derived from various sources to finance the acquisition of long-lived plant assets and their associated liabilities. Source of funds are usually transfers from current restricted funds, such as gift or grant funds.	Hard
8E	Unexpended Plant - Internal Financing	Unexpended resources in the plant fund derived from various sources within the University to finance the acquisition of long-lived plant assets and their associated liabilities. In essence, the University is borrowing from itself, thus the term "internally financed."	Hard
8G	Unexpended Plant - Bonded	Unexpended resources in the plant fund derived from bond issues to finance the acquisition of long-lived plant assets and their associated liabilities.	Hard
8J	Unexpended Plant - COP Acquisition Funds	Unexpended resources in the plant fund derived from certificates of participation (COP) to finance the acquisition of long-lived plant assets and their associated liabilities.	Hard
8L	Unexpended Plant - Capital Development Funds	Unexpended resources in the plant fund derived from the State of Illinois Capital Development Board to finance the acquisition of long-lived plant assets and their associated liabilities.	Hard
8N	Renewal and Replacement	Funds used to collect money and record expenditures for renewal, replacement, and extraordinary repairs of University equipment and facilities. Source of funds are usually transfers from current unrestricted funds.	Hard
8Q	Debt Service	Funds used to account for principal and interest payments on outstanding bonds and internal loan agreements. The sources of funds are typically transfers from self-supporting entities, such as auxiliary units, Willard Airport, and the Hospital.	Hard

UIC HR Policy 203-02: Temporary Academic Professional Appointments Appendix
Fund Type Descriptions

8S	Debt Service - COP	Funds used to account for principal and interest payments on outstanding certificates of participation. The sources of funds are transfers from various fund types based on the COP being paid.	Hard
8Z	Investment In Plant	Funds used to account for the fixed assets and long-term debt held by the University. All adjustments to fixed assets are recorded to the change in fixed asset equity account code 90510. Increases in long-term debt are recorded to expense accounts (199xxx) and decreases in long-term debt are recorded to revenue accounts (35xxxx).	Hard
Agency Funds			
9A	Agency-Payroll	Funds used to account for monies collected from payroll deductions that will be disbursed to external agencies and organizations.	Hard
9D	Agency-Other	Funds held by the University as a custodian or fiscal agent for others external to the University. These funds do not include registered student organizations.	Hard
9G	Agency-Student Organizations	Funds held by the University as custodian for Registered Student Organizations (RSO) which are generated through their activities held on campus.	Hard
